

Behavioral Code

We believe every child involved in Hometeam has a God-given ability to be someone special in this world. Our goal is to provide a safe place for learning and socializing away from worldly influences. We believe that Hometeam should be a place where children can learn not to settle for mediocrity, but to make a difference in this world. The following is a list of expectations of all children attending Hometeam. Please go over these expectations with your children.

While attending Hometeam I will:

- Wear my nametag in a visible place at all times.
- Follow the dress code, which is written in the Hometeam policy and procedure manual, available to view at <http://www.faithhometeam.com/policies-and-procedures-manual.html>
- Show respect for teacher and assistants by not only listening with ears, but also with eyes. I will refrain from talking with other students while the teacher is talking and save conversation for a time while working on projects or when socializing is appropriate.
- Show respect for fellow students by listening and not talking while they make presentations.
- Help to make Hometeam a place where everyone knows that they will be welcomed and not made fun of for being different.
- Come to class on time and prepared with the supplies needed for the class.
- Leave electronic equipment at home or in my backpack and turned off during Hometeam.
- Demonstrate respect for others and these rules not only with my actions, but also by displaying a positive attitude at all times.

Disruptive Behaviors.

- Any child that is not cooperating and causing a problem will be moved to the back of the classroom with a parent helper.
- If the behavior continues, the parent helper should notify the Coordinator (room 107) who will then find the child's parent.
- If disruptive behavior becomes a continuing problem with any child, they will not be permitted to return to the Hometeam cooperative.

I HAVE READ THE ABOVE EXPECTATIONS WITH MY CHILD OR CHILDREN. WE UNDERSTAND AND AGREE TO ADHERE TO THE ABOVE POLICY.
